CASSETTE AWNING

TCO KYVOS 530

The awning retracts into an aluminium cassette, fully protected

Wind Class 1 | **up to 5.00 × 3.00 m** | **Manual or motorised**

General characteristics

The TCO Kyvos 530 is the **best-selling model on the market**: a minimal, lightweight and reliable cassette awning, a stylish alternative to the classic arm awning. When retracted, the fabric closes **entirely inside the cassette**, protected from the weather. It mounts easily on a **wall or ceiling** and suits balconies and small outdoor areas.

Closed, the cassette keeps the fabric protected.

Fully closed cassette
The fabric is protected from sun, rain and dust.

2 Standard arms
With 2 wire ropes each, for even tension.

Any fabric
Acrylic or perforated, glued or sewn.

Wall or ceiling
Wall or ceiling brackets, behind the arm mounts.

Wall waterproofing
Complete waterproofing with the mini-canopy.

Manual or motorised
Crank gearbox or motor, wired or wireless.

Colours

White
Standard

Any other RAL
small surcharge

The TCO Kyvos 530 comes in **white** as standard. For a small charge it can be coated in **any RAL colour**.

Operation & specifications

Operation

The TCO Kyvos 530 is operated by a **manual crank gearbox** or a **wired or wireless motor**. With **Somfy TaHoma** equipment it can also be controlled remotely, from your smartphone.

- Manual with crank
- Somfy wired or wireless motor
- Smartphone control with TaHoma

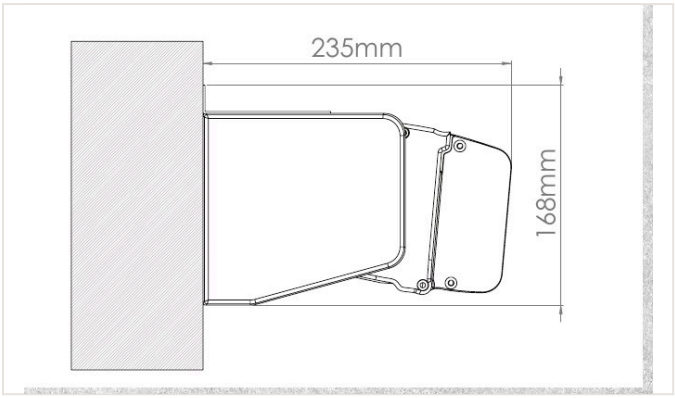

The cassettes open, on a balcony and a porch.
