TCO SHADING

CASSETTEAWNING

TCO KYVOS EPICA

Minimalist folding-arm cassette, up to 7.00 × 4.10 m

up to 7.00 × 4.10 m | **Wind Class 1** | **Up to 12 m with couplers**

General characteristics

TCO Kyvos Epica is a **folding-arm cassette awning** with a minimalist line and **all screws and fixings hidden**. Despite its compact size it reaches **7.00 m width and 4.10 m projection** with the heavy-duty arm. The tilting system closes the front profile **perfectly** against the cassette, even at maximum pitch. It is modular: with couplers it reaches **12 m**.

Minimal cassette with hidden fixings and LED arms.

Fully closed cassette
Fabric protected from weather, dirt and UV.

Modular up to 12 m
Couplers, same maximum projection.

Tilting bracket
Perfect front-profile closing at any pitch.

3 arm types
Standard, Spin or Heavy Duty up to 4.10 m.

Front vertical roller
Optional motorised drop up to 1.60 m.

LED arms
Optional lighting for the evening.
